This three-bedroom modern contemporary home blends clean architecture with a relaxed tropical sensibility. Set in a tranquil coastal neighborhood, the property is just 650 meters from the beach, less than a two-minute scooter ride, effortlessly connected to the ocean.

Thoughtfully designed with generous proportions and beige, natural tones, the villa features limestone-clad exterior walls and wooden façade screens. Inside, ivory-toned polished cement floors flow seamlessly into matching walls, creating a calm, cohesive aesthetic throughout the living spaces.

The ground floor offers a double-height living area with dining and kitchen spaces overlooking the pool, alongside a guest bedroom and laundry room. The second floor houses the master bedroom with walk-in closet, a second bedroom, and a secondary living or study area. A rooftop terrace crowns the home, providing additional outdoor space. Available for yearly rental, this home offers a rare balance of coastal proximity and everyday comfort.
