Perched atop a secluded plateau near Uluwatu on the southern tip of the Jimbaran Peninsula, Residence Bulgari 2 offers an unparalleled blend of luxury, privacy, and natural beauty. Adjacent to the prestigious Bulgari Resort Bali, this exclusive residence seamlessly merges the elegance of contemporary Italian design with the warmth and soul of traditional Balinese architecture. Designed by renowned architects Antonio Citterio Patricia Viel and Partners, every detail of the residence reflects a refined sensibility, featuring hand-hewn volcanic stone, exotic hardwoods, and bespoke furnishings that create an atmosphere of timeless sophistication.

Spanning two levels, the residence welcomes you through a private driveway into a grand foyer that opens into a spacious open-plan living and dining area. Floor-to-ceiling windows frame breathtaking views of the Indian Ocean, with direct access to a wide teak sundeck that invites relaxation under the Balinese sun. The custom-built kitchen, complete with dual pantries, is perfectly suited for both intimate family meals and elegant entertaining. Downstairs, the residence features a master king suite and guest king suite, each with private studio-lobby spaces and walk-through wardrobes. A third double bedroom, ideal for children, is connected to a separate nanny room with a private entrance - designed for seamless living with the utmost comfort and discretion.

Every bedroom boasts stunning ocean views and opens onto private terraces with sweeping panoramas. En-suite bathrooms are finished in exotic natural stone and include both indoor and outdoor bathing facilities, evoking the serenity of a private spa retreat. Technological comforts such as air-conditioning, high-speed internet, and a Bang & Olufsen sound system blend effortlessly with traditional materials, ensuring a luxurious yet authentic experience.

As part of the Bulgari Resort Bali estate, residents enjoy privileged access to world-class amenities including two signature restaurants - Sangkar, offering refined Indonesian cuisine in a relaxed atmosphere, and Il Ristorante, serving creative Italian dishes in a more formal setting. The award-winning Bulgari Spa, with treatment rooms overlooking the ocean, combines ancient healing traditions with modern wellness techniques. A private funicular leads to a hidden stretch of white-sand beach and the Beach Club, where guests can unwind in total seclusion, surrounded by untouched natural beauty.
