Located in the laidback and picturesque beach town of Seseh, the villa sits just 800 meters walking distance from Pantai Seseh, offering a peaceful coastal lifestyle with easy beach access.

Designed by L.S DESIGN, a multi-award-winning, Dubai- and Bali-based firm operating at the intersection of architecture, art, and industrial design, the villa was created for ultimate comfort. Finished with top-of-the-line appliances and quality materials, they are thoughtfully built to last.

The design blends clean minimalism with a contemporary resort feel, highlighted by expansive glazing, a floating concrete staircase, and a refined palette of colors, materials, and finishes. The three-level villas feature three ensuite bedrooms, a kitchen, living-dining area, and a rooftop terrace with BBQ, ideal for relaxed tropical living.
